James -

\$350 for for DUI school. CCRI notifies the motorist of his or her scheduled evaluation at Warwick CCRI only. That's a 1 hour session. A referral to alcohol counseling may also be made. DUI school is 12 hours consisting of either 2 consecutive Saturdays from 9 to 4 or weeknight classes from 6 to 9 twice a week.

Mass will surely suspend the license. When RI suspension is satisfied, the motorist makes an appointment with the RMV and hopes for the best. It is up to the RMV to reinstate or make whatever other requirements they deem appropriate. I have attached the relevant Mass law and the # you need at the RMV is 857-368-8200. Your hold time varies from an hour to the rest of the week!
